

Amelia walks back to her dorm from class

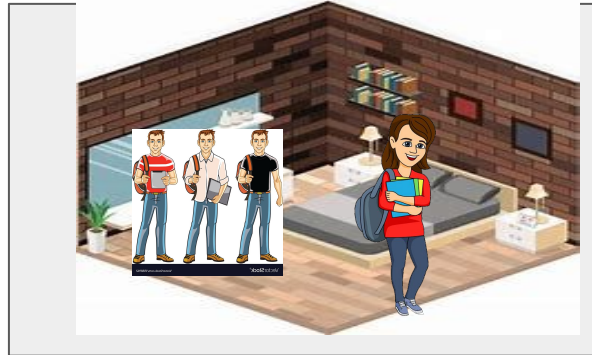

Then she walks into her room and sets all her belongings down

After that, she gets a text from her friends asking to let them in

Amelia uses her dorm key app on her phone to let them in

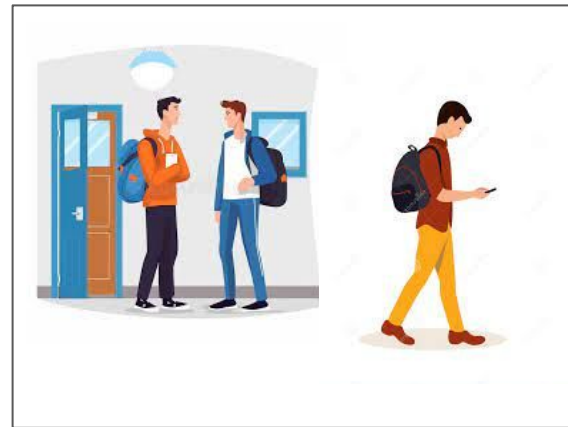

All of her friends now can study happily with each other

John spends the day studying at the library.

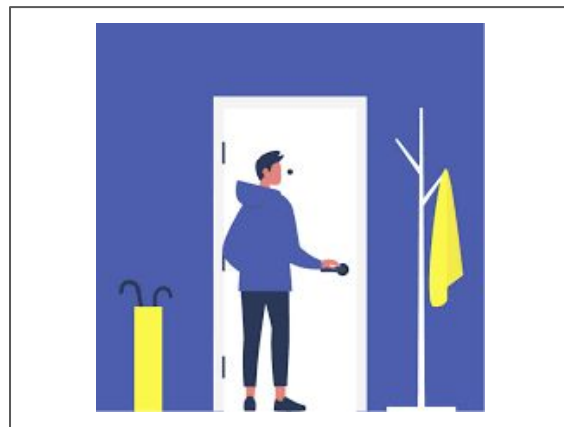

John gets tired and leaves the library.

When near the dorm, he opens key app.

He unlocks his dorm door through the app.

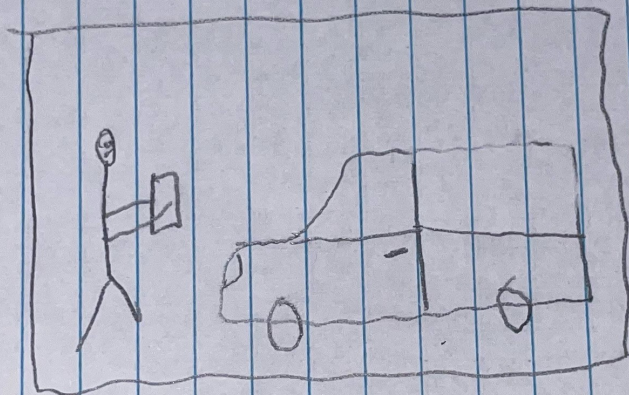

John enters his unlocked dorm and goes to bed.
